

## **ERMS Student illness In-person Lesson Policy Statement**

In-person student lessons:

- You may come to your lesson in person only if you feel your symptoms in the past few days: a cough, a fever, shortness of breath, difficulties breathing, flu-like symptoms, gastrointestinal upset are past the contagious stage.
- If you are experiencing symptoms and unable to make your lesson in-person, virtual ZOOM lessons will be offered instead, at your regular time.
- Please inform me via text as soon as you can indicating your intentions. If you will need a ZOOM lesson, or not. I can plan accordingly.
